

Travelar Prototype Evaluation Consent Form

You are being asked to take part in a research study. You will be asked to complete a task on a prototype and respond to an anonymous questionnaire afterwards. While completing the task observations will be made and the time will be recorded. Please read the terms below and give your consent if you would like to participate in this study.

I hereby give my consent for my responses and feedback to the TravelAR© prototypes to be used in a report for SENG310. I understand that any identifying information other than my membership in the current SENG310 lab section will be concealed. I understand that my responses may be included in a report published on a website, and as a result may be available to the general public.

I have read and I understand the provided information and have had the opportunity to ask questions. I voluntarily agree to take part in this study.
